

RELENTLESS PURSUIT

**A gospel movement pursuing every person, in every family,
and every neighborhood with the love of God.**

Today only 4% of South Floridians are connected to a gospel-centered church. We are committed to a relentless pursuit of every person to increase that number from 4% to 8% to 12% - a tipping point that can change South Florida and the world. Relentless Pursuit is about pulling people in, lifting people up, and bringing people home to be a part of God's family.

OUR MISSION

Our mission is to help families discover and pursue God's design.

- We address the brokenness all around us by helping people build stronger marriages, parent their children, and recover from their addictions.
- We partner with local schools and other like-minded community organizations to feed the hungry, heal the sick, and educate the under-resourced.

OUR OPPORTUNITY

We are a church on the move reaching more people, planting more churches, and loving more neighbors.

- We need a people-driven movement of South Floridians in every neighborhood living out the gospel and relentlessly pursuing our neighbors.
- Through us, God will transform lives and we will multiply locations until we see a tipping point of gospel saturation that impacts all of South Florida.

OUR VISION

Our vision is to take the gospel to every person in every neighborhood in South Florida.

- In 2008, we were one church in one location and one language. Today we are one church in eleven locations and three languages.
- Our goal is to plant 100 neighborhood churches that can serve as gospel outposts across South Florida - places of refuge where broken people can come for hope and healing.

Relentless Pursuit of

NEW LEADERS

Equipping South Floridians to be gospel carriers and gospel catalysts in the places we live, work, and play.

- Expanding our residency and internship programs for South Floridian church planters and ministry leaders customized to each neighborhood.
- Training thousands of everyday believers to have thousands of gospel conversations in order to reach millions of South Floridians.

Relentless Pursuit of

NEW CHURCHES

Every neighborhood church is a gospel outpost – a place where people regardless of age, race, or socioeconomic status can discover and pursue God’s design for their lives.

- Planting 100 neighborhood churches to bring gospel-powered change to families across South Florida.
- Forming strategic partnerships with like-minded churches working toward the goal of 12% of Palm Beach County attending a gospel-centered church.

Relentless Pursuit of

NEW BUILDINGS

Every neighborhood church with a neighborhood pastor will be maximized to reach the most people possible.

- Pursuing permanent locations for our West and Boca campuses.
- Increasing the capacity and quality of space at our Downtown, Iglesia Familiar Greenacres, Iglesia Familiar Downtown, Farms, Gardens, Jupiter, Portuguese, Sherbrooke, and Village campuses.

God is in relentless pursuit of all people everywhere. We are asking everyone at Family Church to pray, engage, and give in new ways during this season.

As you consider your part in this vision, ask yourself:

- If someone were to look at how I use my time, my energy, and my money, what would they learn about my priorities?
- Am I engaged in the lives of my neighbors in a way that makes the gospel compelling and attractive?
- What difference do I want my financial commitment to Relentless Pursuit to make in my heart and life? Will my pledge change me and allow me to more generously invest in this vision for South Florida?
